2. TRAVEL TO AARHUS

2.1 Official Airport and Arrival Information

The official airport is Billund Airport (BLL). It is situated 90km from the city and the expected travel time to Aarhus is about 1 hour 20 minutes.

Welcome desks will be set up at the arrival terminals.

According to the official period, arrival in Aarhus should be on Thursday 28 March and departure should be on Sunday 31 March. Depending on the arrival / departure times, the LOC will organise transfer by bus to the accommodation in Aarhus.

For those teams planning to arrive prior to 28 March or leave after 31 March, it is important to advise the LOC well in advance so that exceptional arrangements can be made.

2.2 Entry Visas

General

Denmark is a signatory of the European Union's Schengen agreement, which means that EU citizens can travel freely to Denmark; citizens from other countries may require a visa. See Appendix B for visa information.

In order to obtain a visa, Member Federations must follow the guidelines and procedures for visa applications which can be found on the following website: www.newtodenmark.dk. Visas must be obtained before travelling to Denmark. It is advised to start the visa

application process when submitting the preliminary entries, since the process can take time.

It is the Member Federation's own responsibility to apply for visas at the embassies or consulates for any of its athletes or staff members who will be travelling to Denmark, and to make sure that all documents required for each application are complete. It is advised to apply as soon as possible in order to receive visas on time, as incomplete applications slow down the process and may lead to a visa not being issued on time.

Visa invitation letters can be requested by completing the visa invitation letter request form attached (see Appendix B). The form must be submitted to cynthia@dansk-atletik.dk in order to receive a personal invitation letter.

Embassies in Countries and Regions

Please refer to Appendix B for:

- Countries and Regions whose Citizens DO NOT NEED a visa to enter Denmark.
- Countries and Regions whose Citizens DO NEED A VISA and HAVE a Danish Consulate
- Countries and Regions whose Citizens DO NEED A VISA and DO NOT HAVE a Danish Consulate.

2.3 Insurance

All IAAF Member Federations are responsible for subscribing to an insurance policy that covers illness and/or injury to any members of their delegation and/or team travelling to and from IAAF competitions and during the event itself. Furthermore, proof of such insurance is now required in most cases to obtain visas, e.g., in the Schengen area.

As in past years, the IAAF has negotiated an offer with its insurance company the details of which have been proposed to Member Federations in circular M/03/19.

In all races (except the mixed relay) four finishers shall score.

Each race shall be scored separately. The team results shall be decided by the aggregate of places recorded by the scoring athletes of each team. The team with the lowest aggregate of points will be judged the winner. If a team fails to finish with a complete scoring team, the runners finishing shall be counted as individuals in the race result and be eligible for the individual awards.

In assessing the aggregate, no adjustment to the scoring of the finishing teams shall be made in respect of any non-scoring team runners or of individual entries.

In the event of a tie, it shall be resolved in favour of the team whose last scoring member finishes nearer to first place.

Scoring for the Mixed Relay shall be by finishing order of the team.

9.12 Medal Ceremonies

Gold, Silver and Bronze medals shall be presented to the first, second and third placed athletes in each individual event and placed teams respectively, who shall mount the awards podium.

Participants who did not finish the race or were disqualified shall not mount the awards podium and shall not receive a medal.

The athletes must wear their delegation's official uniform at Medal Ceremonies. During the playing of the anthem and the raising of the flags, they shall face the flags and conduct themselves in a dignified manner at all times.

9.13 Protests and Appeals

Protests and Appeals shall be handled according to IAAF Rule 146, an extract of which appears hereunder. Protests and appeals shall be handled by the TIC.

9.13.1 Protests

Protests concerning the result or conduct of an event shall be made within 30 minutes of the official announcement of the result of that event. The Organising Committee of the competition shall be responsible for ensuring that the time of the announcement of all results is recorded.

Any protest shall be made orally to the Referee by an athlete, by someone acting on his behalf or by an official representative of a team.

If the Referee makes a decision, there shall be a right of appeal to the Jury. Where the Referee is not accessible or available, the protest should be made to him through the Technical Information Centre.

9.13.2 Appeals

An appeal to the Jury of Appeal must be made within 30 minutes:

- (a) of the official announcement of the amended result of an event arising from the decision made by the Referee; or
- (b) of the advice being given to those making the protest, where there is no amendment of any result.

It shall be in writing, signed by a responsible official on behalf of the athlete or team, and shall be accompanied by a deposit of USD 100, or its equivalent, which will be forfeited if the appeal is not allowed.

Note: The relevant Referee shall, after his decision on a protest, immediately inform the TIC of the time of the decision. If the Referee was unable to communicate this orally to the relevant team(s) /athlete (s), the official time of the announcement will be that of posting the decision at the TIC.
